Welcome to Totem

Located in rural North Yorkshire, Totem is a tipi and events company providing a personal and bespoke service to all our customers.

Whether you are planning a wedding, party or corporate event, tipis provide a breath taking space to make your event an experience to remember.

Why tipis

Tipis are extremely versatile structures, they can be put up as a single structure to create a small, intimate venue, or linked to create larger event spaces. These stunning structures are designed for use in some of the most diverse of weather conditions, so you can be comfortable whatever the weather.

Why Totem

Totem are part of North Yorkshire County Council, we are a small team who historically ran festival and events for children and young people. Totem has been developed as a business with a social purpose, proceeds from the business feedback into the work that we deliver with targeted groups across North Yorkshire.
